P.S. As always, we need many volunteers to help run the clinic. In the past, many officials have served in this capacity helping us at registration and by introducing one or more of our many speakers throughout the clinic. If you are available and interested in helping us out, contact Mark Maas (Whitewater) at mmaas@wwusd.org. He will let you know where we need help. You will receive a long sleeve clinic polo shirt as a member of our clinic staff.
